

I would like to let you know that K-LOVE is the only reason I listen to the radio. It provides safe and edifying music for me and my young son. If K-LOVE were not available there would be no alternative in the area to the secular music and message that is forced on us at every turn. K-LOVE serves the public interest by sending out the truth of God's love to the public. We as Christians should be able to listen to a radio station that supports our values and lifestyle. The community would suffer if K-LOVE were not on the air because there would be nothing positive on the airwaves; only the secular message or endless talk radio shows.
